

Reference letter

to: Atanas Ginev
from: Mr. Boyko Prodanov – HR Manager at First Online Solutions

This reference letter is issued in relation and attestation that Mr. Ginev has worked in our company as Back End developer.

In the beginning of this year he was promoted to Team Leader to our Back End Team. Thanks to his unique sense of humor and expertise he also became informal leader for the people in the team.

For the time he spent in our company Mr. Ginev, successfully developed and optimized important IT systems for our business.

He also took active participation in internal courses for programming, in the same time balancing between different clients requests, our business and the capabilities of his team!

In conclusion I would recommend Mr. Atanas Ginev as a professional in Back End Development and a person with capabilities to create, support and develop important IT systems for businesses!

Thank you for your credence!

This reference letter is issued to be used wherever needed!
